DISABLED VETERAN PROPERTY TAX

ABATEMENT: A Utah permanent place-of-residence property tax abatement using the military service-connected disability rating percentage is provided for disabled veterans or for their un-remarried widows or minor orphans. The Veteran's disability rating must be at least 10% in order to use this abatement. The maximum property tax abatement, rated at 100% military service-connected disability, is \$244,064. To figure out how much your tax abatement will be multiply your percentage of disability by 244,064. Example: 10% disability X 244,064 = \$24,406.40 tax abatement. This amount is then subtracted from the taxable value of the property and taxes are paid on the remaining amount. To apply for Utah Disabled Veterans Property Tax Abatement, request a **Summary of Benefits Letter from U.S. Dept. of Veterans Affairs (VA)** at 1-800-827-1000. Submit the Summary of Benefits Letter with a completed Property Tax Abatement application, **on or before September 1st**, to the applicable county treasurer, tax assessor or clerk/recorder located in the county courthouse or county government building of the appropriate county seat. All property must be on record as of January 1st of the year you wish to file. However, a recent change allows qualified widows and orphans an exemption to that rule. NOTE: Effective January 1, 2008 disabled

veterans will only be required to file for property tax abatement one time. After the initial filing it will automatically renew each year. However, veterans will have to re-file if all or a portion of their abatement is used towards tangible personal property, if their service-connected disability percentage changes, the veteran dies, sales the property or no longer claims that property as their primary place of residence. (Utah Code 59-2-1104 & 1105)

Purple Heart Tuition Waiver:

Utah public institutions of higher learning are required to waive the tuition of a Utah resident admitted to an undergraduate program of study leading to a degree or certificate, if the student is a recipient of a Purple Heart. **Recent changes have expanded this benefit to include a Graduate Degree.** (Utah Code 53B-8-101)

Scott B. Lundell Tuition Waiver for Military Members' Surviving Dependents

This bill waives the undergraduate tuition at state institutions of higher education for surviving dependents of Utah resident military members killed in the line of duty after 9/11/2001. The waiver in this section does not apply to fees, books, or housing expenses. The Utah Department of Veterans Affairs is the administering agency for this benefit. Call 1-800-894-9497 or (801) 326-2372 for information on how to use this benefit. (Utah Code 53B-8-107)
